

AHPT Leader/Co-leader Guidelines 2019

Two weeks before WWWC Weekend: AHPT Invitation * email, coordinated by Joan Munro, is sent out to all women who've attended a WWWC weekend. It includes the AHPT leader(s) name(s) and 1 email address of the Sister leading, so she can create an AHPT email group.

One week before Weekend: Leader sends out #1st "welcome" email with AHPT prayer partner list of names and email addresses, so AHPT sisters can be connected with one partner. Attach the Spiritual Teaching to build connections to the on-site staff and personal preparation.

Thursday of Weekend: Include this AHPT live link in the # 2nd email of encouragement to pray for travel, packing and families. <https://womenswalkwithchrist.org/athomeprayerteam>

- *Scriptures for all 5 wounds, holiness and wisdom*
- *Weekend timelines and areas to pray*
- *Songs for the 5 wounds*
- *Prayer considerations*

Friday of Weekend: Email #3, focusing on the Friday events for staff and missionaries and Saturday protocols for authenticity and acceptance. Leaders can add their prayers & songs.

Saturday of the Weekend: Email #4, emphasizing Reconfirmation, Sunday protocols and gifts, departures. Ask AHPT to "check out" with their prayer partner, sharing one word of awareness and/or mission statement. (*Reminder: AHPT does NOT "reply all", only to their prayer partner.*)

After the Weekend: Please contact Joan Munro (jimisirianmunro@gmail.com), AHPT Coordinator, to share feedback or suggestions regarding the AHPT and your participation in it!

Bless you, dear Leader(s) for your sacrifice of time and prayer for women's' healing and transformation. **Philippians 4:23 "The Grace of our Lord Jesus Christ, be with your Spirit."**
