

# SMALL CHANGE, BIG CHANGES.

## MAKE A DIFFERENCE WITHOUT BREAKING THE BANK

We've partnered with ROUNDUP APP, an app that rounds up your everyday credit or debit card transactions, then donates your "spare change" to Women's Walk With Christ.

# SMALL CHANGE, BIG IMPACT.

Your donation provides a critical source of consistent support that allows women to continue healing and transforming in Christ.

## FREQUENTLY ASKED QUESTIONS

### HOW IS ROUND UP CALCULATED?

The "change" or round up is calculated as the number of cents to the next whole dollar. For example, if you bought a cup of coffee for \$1.70, the app would add \$0.30 of "change" to your running tally for the month. Had the coffee cost \$1.15, the change would have been \$0.85. If the coffee had been \$2.00 there would be no change, as it is already a whole dollar amount.

### ARE MY DONATIONS TAX-DEDUCTIBLE?

Yes, Women's Walk With Christ is a 501(c)(3) non-profit organization.

### DO I HAVE TO DO ANYTHING TO MAKE ROUND UP HAPPEN?

Nope! Once you finish the signup process and link your card, the app will keep track of your purchases, calculate the round up amount and donate to Women's Walk With Christ without you having to do anything else.

### WHEN WILL MY DONATIONS ACTUALLY HAPPEN?

The app keeps track of your change throughout the month. At the end of the month, the app will donate your accumulated change (or it will donate the monthly maximum that you set, if it is less than your accumulated change) to WWWC. You will see a new line on your card statement for this donation to Women's Walk With Christ.

### HOW ARE YOU KEEPING MY CREDIT CARD INFORMATION SECURE?

The RoundUp App uses Stripe as their payment processor, the same company that does payment processing for Amazon, Facebook, Lyft, and 100,000 other organizations. Only Stripe has access to your credit or debit card number. The RoundUp App does not have access, your phone does not have access, and WWWC does not have access to your card details.
