

## **OFFICIAL Coronavirus Statement**

With growing concerns about the Coronavirus (Covid-19 Virus), **Women's Walk With Christ** is taking steps to minimize the risk of exposure to our staff and participants on a weekend.

**WWWC ministry** takes into consideration the safety of our participants with the utmost importance. We want to encourage our staff and participants to follow the CDC's recommendations for the prevention of the spreading of the **Coronavirus**:

CDC always recommends everyday preventive actions to help prevent the spread of respiratory diseases, including:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

We will insist upon lots of hand washing and the use of hand sanitizer on the weekend.

**WWWC** will do our very best to keep everyone safe. We do rely upon you to follow the CDC's information and to stay home if you feel sick at all. If you have traveled to any affected areas or have possibly been exposed, with or without quarantine, we ask that you refrain from coming to the weekend.

**WWWC** will continue to closely monitor the virus and implement additional best practices as we deem fit. Thank you for your understanding.
