

WWWC Covid-19 Safety Statement

We understand that Covid-19 has created challenges and uncertainty for most of us, including Women's Walk With Christ. We know that in order to welcome women to our Weekends, so we can live out our mission to walk with women in their healing and transformation in Christ, we must carefully and prayerfully adjust our 2021 Weekend events. We want to invite you to attend one of our 2021 Weekend events knowing your health and safety are our **top priority**.

We are **committed** to do our very best to follow CDC and state guidelines in regard to Covid-19. We want you to attend one of our Weekends with **confidence**, knowing guidelines and protocols are in place for you and our staff in order to maintain a safe environment for all.

Some of these new safety protocols and requirements include:

- Sanitizing and airing out meeting rooms throughout the day.
- Providing hand sanitizer in every meeting room.
- Giving each attendee and staff member their own private room.
- Checking temperatures daily (A temperature between 97.7–99.5 °F is considered normal.)
- Maintaining social distancing (6 ft apart) at all times.
- Requiring a Covid-appropriate mask be worn at all times throughout the Weekend and providing disposable face masks should you need one.
- Asking women to wash their hands regularly and thoroughly (20 seconds or longer).
- Eating meals as a “small group” with social distancing in place.

Your cooperation and diligence are vital, as well. Here are some ways you can help:

- Wash your hands before and after using any common areas/articles.
- Wash your hands before and after each meal.
- In your small group, keep your items to yourself.
- Apply hand sanitizer at regular intervals.
- Avoid touching your face, eyes or mouth.
- Maintain a social distance of 6 ft at all times.
- Let someone know if you are feeling unwell on the Weekend.
- Stay home if you're feeling unwell prior to the Weekend.

Please know that the protocols and guidelines listed in this statement are **only an overview** of all WWWC has in place for Covid-19 safety on events/Weekends. We know the decision to attend is a big one and we want you to come knowing these precautions are not being taken lightly and will be strictly enforced.
