

**Sisters,**

We have all been experiencing quarantining, isolation, social distancing, mask wearing, and more hand washing during this past year of Covid-19. These all are things that the CDC has instructed us to do to help keep ourselves safe. So, how do we continue safely in our **Spirit Circles** in WWWC?

Some states are loosening their restrictions on meeting together in person again, so please first look to your local county and state government for more guidelines for meeting in-person. Do you want to continue meeting on Zoom or do you want to start gathering in-person? It may turn out that there will be a decision for both. I would ask that you honor and try to accommodate those women who want/or need to stay home for safety reasons and attend on Zoom. It is important for all who attend in-person to wear a mask, use hand sanitizer, and adhere to the 6-foot rule of social distancing. Also, please use the Covid-19 **Self-Screening guideline** before attending an in-person Spirit Circle. Each woman will be taking responsibility and the liability on herself to attend in-person.

The WWWC Board is looking forward to beginning ministry activities again in 2021. We plan to have our first weekend on April 9-11 in Estes Park, CO. We are excited to step in again! Please pray for us.

Many blessings,

Debi Spicer, Director

Women's Walk With Christ

## **Covid Self Screening Form for in-person Spirit Circle**

**If you or someone you are regularly close to has any of these health issues: chronic lung disease, asthma, heart disease, etc., you may be putting yourself or that person at greater risk by participating in a WWWC in-person Spirit Circle. We will ask all women attending an in-person Spirit Circle to adhere to social distancing, wearing a mask, and sanitary precautions, but know that you may get sick with Covid-19. By physically attending Spirit Circle, you knowingly accept the risks and agree to hold WWWC harmless in case of infection or other liability. Please ask yourself the following questions before attending an in-person Spirit circle:**

- 1. Ask your family if they agree with you attending a Spirit Circle gathering of 10 or less...especially ask your spouse if they agree.**
- 2. Do you or someone in your home have Asthma or chronic lung disease?**
- 3. Do you or someone in your home have a heart condition, including high blood pressure?**
- 4. Are you or someone in your home either currently in, or recovering from cancer treatments?**
- 5. Do you or someone in your home have immune deficiencies?**
- 6. Do you or someone in your home have Diabetes?**
- 7. Do you or someone in your home have liver or kidney disease?**
- 8. Do you or someone in your home have Covid-19?**
- 9. Do you have any other health conditions that put you or someone in your home at risk?**
- 10. Does your age put you at risk to Covid-19?**
- 11. Lastly, pray and ask Jesus what He wants you to do.**
- 12. If Jesus, your family, and you agree then you may attend an in-person Spirit Circle.**
