

### WWWC Travel and Sisterhood Time:

As our ministry continues to grow, we have a great opportunity to travel to other areas of the country and the world. As part of this opportunity comes responsibility:

- Travel expenses are the responsibility of staff. The ministry may assist in this expense. Staff may ask for financial assistance in covering the staffing fee. Additional travel expenses such as food and transportation will be discussed prior to each Weekend. We are blessed to have Sisters who are willing to offer us lodging and food, as well.
- When we travel as a ministry you will be noticed! We typically travel in WWWC shirts. Over the years, the outreach we've done while traveling has been amazing. Our sisterhood in action is the simplest and most powerful way to live our mission. Keep in mind that our words and actions reflect our values.
- While on the road and during sisterhood time between the Weekends and/or Bridges, alcohol should be used responsibly. This also goes for social outings in town. Not only are we judged by our words and actions, we also have women in the ministry who have concerns with drugs and alcohol. Having a safe and welcoming space for all is most important.
- And, as always, alcohol and drugs are not a part of Weekends, Bridges, or other formal settings.

*And whatever you do or say, do it as a representative of Lord Jesus, giving thanks through him to God the Father. (Colossians 3:17)*
