

## AHPT Leader/Co-leader Guide:

Thank you for your willingness to lead the AHPT! The following is a timeline for the role and when the emails are meant to be sent out to the team. As leader of the team, please feel free to add encouragements and your own prayers for the Weekend. You can expect to receive 2 Weekend staff emails (Prayer Partners & Spiritual Prep #1 and the Final Staff Communication). This is primarily so you have access to the spiritual preparations for the Weekend. This is the spiritual “theme” for the Weekend and should be included in what you share with the team. The Spiritual Prep will also include songs and scripture that you can feel free to incorporate, as well.

- **Three weeks before the WWWC Weekend is the Weekend Zoom Staff Meeting.** *You might find it helpful to attend the staff meeting.* It can connect you to the rest of the staff and is a visual to the staff that the AHPT is part of the staff, as well. You should contact the Sr. Co-Leader for the Weekend for permission to attend. When staff assignments are announced during the meeting, you may make note of the on-site prayer team leader and contact her as well, letting her know that you are open to sending out prayer requests to the team during the Weekend.
- **Two weeks before WWWC Weekend:** AHPT Invitation email is sent out **by the ministry** to all women who've attended a WWWC Weekend. It includes the AHPT leader(s) name(s) and email address, so you can create an AHPT email group based on the email responses. Be sure to check your spam/junk folder so you don't miss anyone.
- **One week before Weekend:** Leader creates Prayer Partner pairings based on sisters who have joined the AHPT. **Leader sends out 1st** “welcome” email with AHPT Prayer Partner list of names and email addresses and a copy of the Spiritual Preparation Part 1, so AHPT sisters can connect with their partner(s) and begin to build connections to the on-site staff and personal preparation. Encourage sisters to connect with their prayer partner before and throughout the Weekend of prayer. (Remind sisters that AHPT does NOT “reply all”, only reply to their prayer partner.)
- **Thursday of Weekend:** **Leader sends email #2**, including this AHPT website link along with encouragement to pray for travel, packing and families:  
<https://womenswalkwithchrist.org/athomeprayerteam>

The website includes links to the following documents:

- *Scriptures for all 5 wounds, holiness and wisdom*
- *Weekend timelines and areas to pray*
- *Songs for the 5 wounds*
- *AHPT Connections*

You may choose to include some of the information included in these links (songs or AHPT Connections) directly in your email. Or you may want to link or attach these documents directly to your email. It is up to you! You may want to include all or part of the spiritual preparation part 2 that came with the final staff communication (on Tuesday).

- **Friday of Weekend:** **Leader sends email #3** focusing on the Friday events for staff and missionaries and Saturday protocols for authenticity and acceptance. Leaders can add their prayers & songs.
- **Saturday of the Weekend:** **Leader sends email #4** emphasizing Celebration, Sunday protocols and gifts, departures. Ask AHPT to “check out” with their prayer partner, sharing one word of awareness and/or mission statement. (Reminder: AHPT does NOT “reply all”, only to their prayer partner.)
- **After the Weekend:** Please contact your regional team coordinator or the Weekend senior co-leader ([Sue Ham](#), [Stacie Hazleton](#), or [Debi Spicer](#)) to share feedback or suggestions regarding the AHPT and your participation in it!

Bless you, dear Leader(s) for your sacrifice of time and prayer for women's healing and transformation. Philippians 4:23 “The Grace of our Lord Jesus Christ, be with your Spirit.”
